Pasco-Hernando State College combines high-tech educational facilities and state-of-the-art programs with a focus on teaching and student success.

With five convenient campuses, students can expect personalized attention, small class sizes, highly credentialed faculty, and tuition and fees that are among the most affordable in the State of Florida. One Associate in Arts (AA) degree program provides a solid foundation in the arts and sciences. Successful completion of PHSC’s AA degree guarantees seamless transfer to one of Florida’s public universities or state colleges at the junior level including PHSC bachelor degree programs.

PHSC provides training for more than 75 high demand careers in business, health, industry and technology, and public service through new bachelor’s degrees, Associate in Science degrees and certificate programs.

PHSC AA degree transfer students outperform students who enroll as freshmen in the State University System.
PHSC has added 14 new degree and certificate programs including two new baccalaureate programs since 2014.
