Once you have registered for the New Student Orientation online, follow the steps below to access the session in myPHSC:

1. Go to [www.phsc.edu](http://www.phsc.edu) and select **WISE Login** at the top of the page.
2. Log into WISE using your student ID and P.I.N.
   - PIN information is available on the [WISE information page](http://www.phsc.edu) under **Using WISE**.
   - Previous WISE users may select the **Forgotten your PIN** button on the WISE login page if necessary.
3. Once you have successfully logged into WISE, you can find your myPHSC login ID and default password on the home screen.
4. Go to [my.phsc.edu](http://my.phsc.edu). Enter your ID and password.
5. After you have successfully entered myPHSC, accept the invitation to join the New Student Orientation. Once you have accepted the course, it can be accessed from the **Courses** menu on the home screen. You also have access to the **Guide to E-Learning at PHSC** to help you navigate the environment.

For support or technical issues, please review the information found on the login screen of myPHSC.

**Please note:** You will have unlimited attempts to obtain a score of 80% or higher on the Final Comprehensive Quiz in order to complete the orientation. Completed orientations are typically processed within one college operating day.
